

R-RANCH AT THE LAKE

Board of Directors Meeting

May 17, 2003

The Meeting was called to order at 1:00PM.

Directors in Attendance: President Ken McArdle, Vice President Don Sanders, Vice President Operations Paul Adams, Treasurer Kathy Doulabi, Secretary Alyce Cardinale

Pledge of Allegiance led by Michael Mooney.

Ken McArdle began the meeting by reading a letter from the R-Ranch attorney which explained why R-Ranch at the Lake is not a Common Interest Development (CID) and confirming the validity of procedures we are using to update the By-Laws. This letter will be attached to the ROA copy and be made a part of these minutes as a permanent record.

The meeting was then opened to owners for discussion of the proposed By-Law amendments prior to final voting.

John Lowe #1022, questioned who was on the board of directors in 1999 and who amended the public report deleting reference to R-Ranch as a CID. Ken responded that the change was made by the Real Estate Board, not the R-Ranch directors.

Jim Hart #0671, quoted information contained in a letter from the Dept of Real Estate from 1991 which Ken stated was no longer relevant. Mr Hart also stated he did not have a current copy of the By-Laws and felt that there were some problems regarding the new proposed By-Laws.

Rosemary Enler #0101, questioned the By-Laws which led to a lengthy discussion in which several owners participated. It was recognized that there have been two versions of the R-Ranch By-Laws issued to owners, both dated Jan 1982, but with different provisions in some areas. Ken stated that the CC&R committee had been unable to locate records of any owner approved change to the By-Laws and could not explain why there was two versions being issued, both showing the same effective date.

Syd Hildum #678, Commented about the attorney's letter, Ken explained background and why a written legal opinion was needed for the record.

Paul Adams advised owners that a new, updated rule book would be available to all owners in two weeks at the ROA office.

John Bazzani, #0178, thanked the Board for all their work and wanted to know when the ranch became a business. It always was.

Ken called a 15 minute break to allow owners that had not previously cast their ballot to do so.

Following the break, Secretary Alyce Cardinale read the minutes from Jan 18 and Mar 15, 2003 which were approved with minor changes.

A letter from the Head Wrangler, Janet Politi, explaining our Vet's objection to using our string horses in gymkana type events due to age and condition. Our horses are acquired for primary use as trail horses and, due to lack of training, could injure themselves in such events. Due to Dr Kerr's recommendation, we will not be using ranch horses for gymkanas. Janet, along with the Horsemen's Association, will arrange other types of fun horse activities.
